

CaroMont Health

Cares Campaign | Recipient Stories

STEPHANIE ESTEVEZ

Receiving the CaroMont Cares Scholarship was a true blessing for me in my final semester of the LPN-RN program at Gaston College. As you can imagine, the final semester of nursing school is one that consists of much stress, excitement and anxiety as you prepare to enter the workforce and plan for the costs of taking the NCLEX examination. I stopped working in my final semester of school to ensure that I could be adequately prepared for my exam and work on obtaining employment, so the scholarship funds were quite needed.

“CaroMont Health has been beyond gracious, and I cannot express how thankful I am for their continued support in achieving my career goals.”

June 6th will make one year for me at CaroMont Health, and I have absolutely loved my job here! I work full-time as a registered nurse at the Mount Holly Emergency Department, and I am also a full-time student pursuing my BSM at Appalachian State University. I will finish that program in August and two weeks after that, I will begin the Family Nurse Practitioner (MSN) program at Anderson University. CaroMont Health has been beyond gracious, and I cannot express how thankful I am for their continued support in achieving my career goals.

DENIS MUNGA

“With the help of the CaroMont Health Foundation scholarship I made it ... here I am, a nurse.”

I received the CaroMont Health Foundation scholarship when I was in my final semester at Gaston College for my LPN program last year. I'm grateful, and I appreciate the help that I got from the CaroMont Health Foundation. The scholarship came in handy when I needed help the most.

I almost gave up because I couldn't work due to my demanding school schedule. Paying my bills and getting gas to go to school was becoming almost impossible. I could not figure out how I was going to pay the fee for my NCLEX Exam and other expenses when I graduated. With the help of the CaroMont Health Foundation scholarship I made it through, registered for the NCLEX immediately after graduation and here I am, a nurse.

“I pray that through this gift I will have ... a positive influence on all those I come in contact with.”

Receiving a CaroMont Health Foundation Scholarship is such an honor for me! Knowing in my heart that others believe in me and support my dreams means the world to me! My family encouraged me to return to school, so after thoughtful consideration, I decided to take the leap. Now, I am a college graduate as of spring 2023. My educational opportunity was gifted to me through the CaroMont Health Foundation, and I pray that through this gift I will have more opportunities to have a positive influence on all those I come in contact with. Thank you, CaroMont Health Foundation. Without you, this would not be possible. I am so blessed!
